Embracing Cybersecurity best practices

PNP ACG looks forward to establishing a regulatory framework that will expedite police investigations

- *Achieving financial inclusivity is a collective responsibility*
- *Emphasizing cybersecurity and adopting best practices*

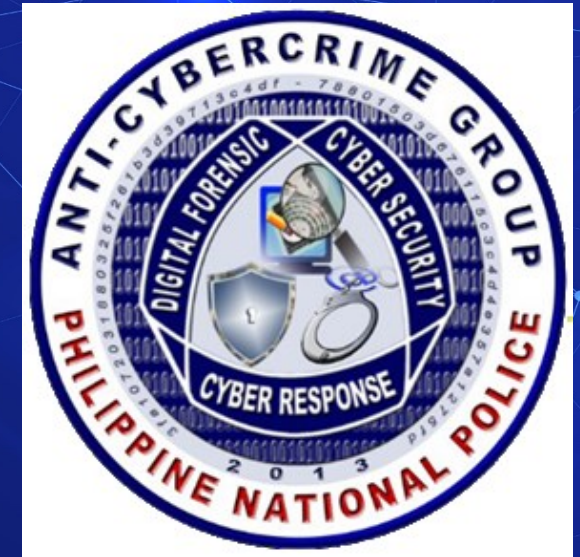

we lay the groundwork for a resilient and trustworthy financial system that benefits not only for the people, but for the country as well.

PMGEN RONNIE FRANCIS M CARIAGA

Director, PNP Anti-Cybercrime Group

*Together, let us join forces in the fight against cybercrime
to create a safer digital world*
